

MATH & SCIENCE SUMMER SCHOLARSHIP

Qualifications: To qualify for a Math & Science Summer Enrichment Program Scholarship, a student must:

- ✓ Be a 10th or 11th grade student in a public or private high school in St. Croix;
- ✓ Be currently accepted in / or have applied to a summer enrichment program;
 - ✓ have an average cumulative (Grade Point Average) GPA of at least B or better
 - ✓ demonstrate financial need.

To evaluate a student's financial eligibility for scholarship aid, parent/guardians must complete this statement.

Review Process: Priority will be given to applications that demonstrate:

- a student's accomplishments both in school and in the community (reflected in letters of reference and the student's personal statement);
- the quality and academic rigor of the program;
- the need for financial assistance.

Attachments: This completed application **MUST INCLUDE** (*clear copies acceptable):

- _____ birth or baptismal certificate *
- _____ official current high school transcript;
- _____ material/brochures which describe the Summer Program
- _____ two letters of reference (one must be an academic reference)
- _____ a brief personal statement (500 words or less).

This completed application and **all** the above documentation should be mailed to:

St. Croix Foundation
Math and Science Scholarship Program
#72 Flag Drive,
Christiansted, St. Croix, 00820

Applications are **due at ST. CROIX FOUNDATION no later than May 15**, but applicants are encouraged to submit their materials **AS SOON AS POSSIBLE**. Applications will be considered on as-received basis. Awards will be announced no later than June 15. For more information, please contact the St. Croix Foundation at 340-773-9898 or email staff@stxfoundation.org.
