

Patrick and Amelia Williams Opportunity Fund Guidelines

St. Croix Foundation for Community Development was founded in 1990 to improve the quality of life for St. Croix residents. The Foundation administers the Patrick and Amelia Williams Opportunity Fund, which awards scholarships to seniors/incoming freshmen desiring to further their studies at an institution of higher education.

The Fund was established in 2018, by Junior Gaspard in honor of his grandparents, Patrick and Amelia Williams, whose determination and expectation of excellence led to educational opportunities and generational resilience. The Williams Opportunity Scholarship's goal is to provide opportunities to youth who have met obstacles but persevere despite these challenges and see educational pursuit as a means to achieving personal/professional success that can then be shared. To date, the Patrick & Amelia Williams Opportunity Fund has awarded \$35,000 in scholarships.
