

St. Croix Educational Complex 20th Anniversary Reunion Committee Fund

Application Guidelines

Established in the fall of 2022, the **St. Croix Educational Complex (SCEC) 20th Anniversary Reunion Committee Fund** was conceived of by the SCEC's 2003 alum to support graduating high school students on the island of St. Croix who have chosen to further their studies at an institution of higher education. St. Croix Foundation for Community Development (SCF) administers the SCEC 20th Anniversary Fund in conjunction with the Patrick and Amelia Williams Opportunity Fund, which was conceived of by Junior Gaspard (native son of St. Croix) in 2018 in honor of his grandparents, Patrick and Amelia Williams. Gaspard's grandparents demonstrated a work ethic, determination, and expectation of excellence despite great odds, which led to educational opportunities for multiple generations. To date, the SCEC 20th Anniversary Fund has awarded \$5,000.

In the spirit of Patrick and Amelia, **the SCEC 20th Anniversary Fund's goal is to provide opportunities to youth who have met obstacles but persevere despite these challenges and see education as a means to achieving personal/professional success that can then be shared with the next generation.**
