## READVERTISED **Tender Notice**

Mercy Corps is a non-religious, non-profit and non-governmental international humanitarian organization.

Mercy Corps is seeking a consulting firm to provide engineering condition assessment, conceptual design, final design, and construction supervision for building retrofit/repair and PV system installation at Resilience Hub Project located at St. Croix Foundation Building, Christiansted Town, US Virgin Islands.

The Scope of works for this project will include; inter alia:

- Phase 1: Condition Assessment, Recommended improvements and Conceptual Designs
- Phase 2: Final Designs and Construction Supervision

Based on the prescribed scope, firms should have a team of experts with the following minimum requirements:

- **Structural Engineer** with a minimum of 10 years of experience in structural engineering, focusing on building retrofits and repairs in hurricane and earthquake-prone areas
- **Electrical Engineer** with a minimum of 10 years of experience in electrical engineering, particularly in PV system design and installation
- **Civil Engineer** with a minimum of 10 years of experience in managing construction projects from conceptual design to completion.
- **Renewable Energy Specialist** with a proven track record in designing and implementing renewable energy projects, especially PV systems
- **CAD Specialist** with expertise in creating detailed and comprehensive CAD drawings for construction projects.

Firms interested in submitting a bid, are advised to complete an Intent to Bid Form and submit it according to the guidelines below.

Completed Intent to Bid Forms must be submitted to Mercy Corps by **10 - Sept -2024 at 17:00 (local time)**. Bid Forms must be emailed to [criprocurement@mercycorps.org](mailto:criprocurement@mercycorps.org) with the Tender Reference number in the email subject line.

After the closing date of this Tender Notice, the Request for Proposal will be sent to the firms who submitted Intent to Bid Forms via the email addresses indicated on the Intend to Bid Forms.
