TENDER NOTICE

SR2369552763 - VI00 Supply and Installation of Integrated Community Garden – St. Croix, U.S. Virgin Islands

Date: 2 - September- 2026

Mercy Corps is a non-religious, non-profit, and non-governmental international humanitarian organization.

Mercy Corps is seeking a qualified firm for the design, supply, delivery, and installation of an integrated community garden for the St. Croix Community Wellness Garden in St. Croix, U.S. Virgin Islands. The garden will include movable raised beds, accessible planting systems, irrigation, and rainwater harvesting components.

This activity forms part of the PRIME Project, which focuses on strengthening community resilience across Caribbean countries, including Saint Lucia, Nevis, St. Croix, and Jamaica. The project supports the establishment of Resilience Hubs — community-based spaces designed to enhance preparedness, response, and recovery capacities while promoting sustainable livelihoods.

The St. Croix Community Wellness Garden is a key component of the Resilience Hub model and contributes to the agriculture and food security pillar of the project. Through this intervention, the project aims to integrate climate-resilient agricultural practices, including movable raised-bed cultivation, accessible planting systems, water-efficient irrigation, and rainwater harvesting technologies.

The selected firm will be responsible for providing technical recommendations on the proposed design, as well as the supply, delivery, and installation of all required equipment, materials, and components necessary for the successful implementation of the community garden, including but not limited to the following:

- Removeable Pergola
- Commercial Moveable Raised Beds
- Irrigation System
- Rainwater Harvesting System

Based on the prescribed scope of works, interested firms should demonstrate:

- Experience in agricultural infrastructure, irrigation systems, rainwater harvesting systems, landscape installation, raised-bed systems, pergolas, or related work.
- Experience implementing similar projects within tropical environments

Firms interested in submitting a bid should request an Intend to Bid Form from criprocurement@mercycorps.org

Completed Intent to Bid Forms must be submitted to Mercy Corps no later than 16 September 2026 at 11:55 p.m. (local time). Forms should be emailed to criprocurement@mercycorps.org with the subject line: "SR2369552763- VI00 Supply and Installation of Integrated Community Garden– St. Croix, U.S. Virgin Islands"

Following the closure of this Tender Notice period, the Request for Proposal (RFP) package will be issued to firms who submitted an Intent to Bid Form.
